CODING GYM

Ready to improve your skills?

📢 MANIFESTO 📢

We help others practice programming, software development and communication skills by making coding laboratories open to any programming language where cooperation is valued over competition, doing and sharing are valued over teaching, and where competing solutions come with discussing and understanding tradeoffs.

📷 DISCLAIMER 📷

We may take pictures and publish them on Facebook.
Any objections? No problem: let the trainer know!

✖ CODE OF CONDUCT ✔

At Coding Gym we value the participation of everyone and we want all attendees to have an enjoyable and fulfilling experience. Accordingly, all participants are expected to show respect and courtesy to other participants throughout this event and at all future events, whether officially sponsored by Coding Gym or not.
